Date

Responsible Party

We understand there are times a parent or guardian is unable to bring a child in for scheduled appointments or emergencies. You may give permission for others to bring in your child if you list them below. Only parents, legal guardians, or those listed below can consent for treatment for your child.

Name \_\_\_\_\_ Relationship \_\_\_\_\_  
Name \_\_\_\_\_ Relationship \_\_\_\_\_  
Name \_\_\_\_\_ Relationship \_\_\_\_\_  
Name \_\_\_\_\_ Relationship \_\_\_\_\_

**General Consent for Treatment**

I hereby authorize and direct the doctor(s) to perform upon my child (or legal ward for whom I am empowered to consent) the following dental procedure(s):

**Examinations & radiographs**

I understand that the initial visit may require radiographs in order to complete the examination, diagnosis and treatment plan. I understand the doctor will perform an examination, resulting in her diagnosis and a treatment plan. Radiographs will be taken only when there is a clinical need to do so. There may be a clinical need for radiographs every 6 months and occasionally more often for patients at high risk of decay or with conditions that require frequent monitoring. \_\_\_\_\_ Initial

**Dental Prophylaxis (cleaning)**

I understand that this type of cleaning is preventative in nature and intended for patients with healthy gums. It is limited to the removal of plaque, extremely light build-up and stains from tooth structures in the absence of periodontal (gum) disease. This treatment helps to minimize gingivitis. Cleanings may be completed using a toothbrush and polishing paste in young patients that are not yet able to cooperate for the rotary rubber cup polisher. \_\_\_\_\_ Initial

**Application of topical fluoride**

Fluoride treatments are typically performed as part of dental cleanings every six months. In certain situations they may be recommended more frequently. Fluoride helps to prevent and slow the process of dental decay and can also improve symptoms of sensitivity by strengthening enamel. \_\_\_\_\_ Initial

**Behavior Management**

"Mouth pillows" or "mouth props" can make holding the mouth open more comfortable during dental procedures. I consent to their use during all dental restorative procedures and sealants.

Every effort will be made to ensure your child has a positive experience during each visit. I understand that my child will not be restrained to complete dental treatment unless there is an emergent need to do so.

During the course of the visit, if your child is unable to cooperate for the examination or cleaning, we may ask you to hold and comfort your child so the doctor can perform the examination or cleaning. \_\_\_\_\_ Initial

**Local anesthesia**

I understand that local anesthesia will sometimes be used to numb the teeth and tissues if dental fillings/crowns/extractions are necessary. Local anesthetics are very safe medications, but as with any medications there are risks. Common side effects include discomfort at the injection site and chance of injury to oral tissues due to loss of sensation while numb. Uncommon risks include allergic reaction, nerve damage, and infection - which may require medical treatment and hospitalization.

\_\_\_\_\_ Initial

**Changes in treatment plan**

I understand that during dental treatment, it may be necessary to change or add procedures. The most common change is the additional need for primary tooth nerve treatment or addition of a crown instead of a filling. I give my permission to the doctor(s) to make changes and additions as necessary and understand that I will be informed of such changes. Said changes may impact my financial responsibility. \_\_\_\_\_ Initial

**Dental insurance benefits**

I understand that my dental insurance may not provide coverage for all recommended procedures. I further understand that it is my responsibility to know my insurance plan's limitation and payment provisions, including maximums, deductibles, exclusion, benefit year, etc. The office will verify my dental benefits and file my insurance claims as a courtesy, but understanding that the limitations and covered service under my policy is ultimately my responsibility. Deductibles and co-payments are due at the time of service. I assign all insurance benefits payable to Solon Pediatric Dentistry. I understand that if the insurance company does not receive payment for services within 45 days of the date of service the balance will be turned over to me. \_\_\_\_\_ Initial

**Text message and email notifications**

I authorize the use of the mobile number I provide and or email address, to send me appointment reminders and past due notifications for prophylaxis (cleaning) and exam, and unscheduled treatment. If I do not wish to receive reminders via text or email I may request this in writing to the office to call an alternate number. \_\_\_\_\_ Initial

**Notice of privacy practice**

I have received a copy of the offices notice of privacy practices. \_\_\_\_\_ Initial

**Cancellation policy**

We are a small office that designates specific time for your child's appointment. We understand that sickness and emergencies may keep you from attending a scheduled appointment and ask that you provide our office with at least **24 hours advance notice or you may be charged a \$40 cancellation fee.** We will try to reschedule your child's appointment at a more convenient time. Please understand the best appointment times are difficult to obtain with short notice. \_\_\_\_\_ Initial

I understand that the information that I have given is correct to the best of my knowledge, that it will held in the strictest of confidence, and that it is my responsibility to inform this office of any changes in my child's medical status and any changes to insurance. In the absence of a legal guardian, the person bringing this patient is hereby authorized to approve. I also authorize the dental staff to perform the necessary dental service that my child may need.

## Financial Consent

Patient's Name \_\_\_\_\_ Patient's Date of Birth \_\_\_\_\_

### Financial Agreement

Thank you for choosing us as your child's dental care provider. We are committed to providing the best dental care possible for your child. An important part of providing excellent dental care is making the cost manageable for our patients. The following statement explains our Financial Policy, which we ask that you read and sign.

Payment or Co-Payment is due at the time of service. We accept cash, checks, Visa, MasterCard, Discover, and CareCredit.

#### Insurance

For patients with dental benefits, we are happy to work with carriers to maximize benefits and directly bill the carrier for reimbursement of treatment. However, if we do not receive payment from the carrier within 45 days of the date of service, you will be responsible for payment of the treatment fees. We will do our best when estimating fees which will be due from the patient for procedures, however, by signing below, the patient acknowledges that they are responsible for any amount due and owing Solon Pediatric Dentistry which is not covered by benefits, no matter the estimate given at the time of service. \_\_\_\_\_ Initial

If insurance will not pay all or part of the fees for treatment, or the insurance is discontinued for any reason, the patient is responsible for the unpaid portion of our treatment fees. \_\_\_\_\_ Initial

#### Collections

All accounts which become 30 days delinquent are subject to a \$25 service charge per month on the past due amount. In the event of non-payment of dental services, we may seek remedy through the legal process. You agree to the reasonableness of such remedies, and agree to bear the burden of such collection costs including but not limited to, collection agency fees, attorney fees, court costs, and filing fees. \_\_\_\_\_ Initial

#### Returned Checks

A \$35 fee is charged to patients for returned checks. Payment will need to be made by cash, credit card, or cashier's check within 14 days. \_\_\_\_\_ Initial

Although we will accept assignment for Medicaid patients, the patient, by law, has to be responsible for any portion of the approved amount not covered by Medicaid or a secondary insurance carrier. \_\_\_\_\_ Initial

The responsibility for payment for services rendered to any dependent children whose parents are divorced rests with the parent who seeks treatment. Any court ordered responsibility judgment must be determined between the individuals involved without the inclusion of our office. \_\_\_\_\_ Initial

#### Patient Acknowledgement

I have read and understand the Financial Polices of Solon Pediatric Dentistry.

**Acknowledgment of Receipt of Notice of Privacy Practices**

I acknowledge that I have been given a copy of the Notice of Privacy Practices for Solon Pediatric Dentistry. This notice describes how my or my child's health information will be used and shared. I understand the doctor(s) has the right to change this notice at any times and that I may obtain a current copy upon request.

This information permits Solon Pediatric Dentistry to use and/or disclose health information relating to my or my child's dental treatment in this office.
